

Food Provisions & Eating Out on St Mary's 2021 - updated 7/10/21

Food provisions

We highly recommend planning ahead for your visit in terms of food. Lots of Scilly businesses use Facebook pages with up to date information and there is an Isles of Scilly Noticeboard page where you can find out about a lot of things.

!! Lots of food businesses are closed on Sundays so bear this in mind when planning your visit !!

Coop have in-store shopping procedures in place so they can serve as many customers as possible, while minimising queues (open 8am-10pm Mon-Sat, 10am-8pm Sun):

Avoid shopping during the first hour of opening so key workers and vulnerable people can shop - maximum on 10 customers in store (this is not an exact science), only one adult at a time rather than couples or groups - please be respectful of those waiting outside and shop as efficiently as possible

- Delivery is available Monday-Saturday, provided you have completed your shop before 2pm
- They are also offering a **Click & Collect** service. You can order up to 30 items, pay & pick a collection window (two hour slots), then you are sent an email when it is ready and you go the back of the store (up the alley past the Steamship Co office then turn left), tell them you are collecting an order and a store colleague will bring it out to you.

The Store is has a good selection of products, you can also buy online and they will deliver (open 9am-6pm Mon-Sat, 10am-4pm Sun): <https://thestoreiosltd.selz.com/01720423308> or info.thestoreios@gmail.com if you need to contact them
